Welcome to the
World of Struc-Rite

One of the most competitive tags in the Nation, Struc-Rite stands high in the league of manufacturing steel buildings. From its constitution, it has carried out a constant expansion and growth-oriented approach, with the development of own technological innovations that, in some cases, has constituted a true landmark. With an excellent manufacturing unit, Struc-Rite reaffirms its leadership in competitiveness and high-end products. Committed to being a responsible corporate citizen, our intention lies in ethical practices, fair play, honest relationships and acting within the spirit of the law. Thanks to the extensive commercial network, Struc-Rite achieves a nationwide active presence, serving clients in more than 18 states.

About Us

Delivering Quality Solutions Pan India

Founded in 2012, Struc-Rite Metal Building Systems, an ISO 9001:2015 Certified & RDSO Approved Firm, has evolved as Central India's one of the leading integrated Steel Construction solutions provider.

Struc-Rite's management team is led by the founding directors, Mr. R.K. Jain and Mr. M.A. Kamdar. Their combined technical excellence and financial acumen within the construction and fabrication industry has ensured a 360-degree growth of the company.

What Struc-Rite is admired most for is our honest commitment, quality check at each step, and superior customer services. Timely completion and professional execution is the hallmark of the company. Client satisfaction is our prime goal. Our clientele believes in our capability to meet their expectations without compromising on quality.

Struc-Rite is one of the first companies dealing in Steel High Rise & PEB in the Central India. The company has been established as a reputed brand providing design to finish PEB solutions including Civil, Structural & Electrical, High Rise, Customized Fabrication & Steel Girders. At Struc-Rite, our philosophy - 'Quality Above All' is engraved in our hearts and we take great care to preserve our identity. Spanning across multiple verticals, our team has already accomplished more than 800 PEBs covering approximately 80,00,000 sq. ft. area so far in 18 states across India.

Our Ideology

Struc-Rite's "built to last" ideology serves as a source of guidance and inspiration. We are committed to our clients and employees. We strongly believe in strengthening the community with our easy to erect, strong, safe and cost-effective steel solutions catering to the client needs at the first place. Our commitment towards delivering value by remaining cost competitive forms the core pillar of our winning strategy.

Why Choose Struc-Rite?

Our state-of-the-art engineering and manufacturing machinery ensure excellent quality, thereby guaranteeing complete client satisfaction and high return.

- Reputed brand with strong presence in Central India
- Complete after sales service
- Inclusive and high-quality engineering output
- Unceasing product improvement & quality enhancement practice
- Strict quality systems

25 ACRES LAND

3,70,000 SQFT. COVERED AREA

5,000 MT/ MONTH PRODUCTION CAP.

BEAM WELDING MACHINE (upto 4200mm)

SHOT BLASTING MACHINE

CNC MACHINE

3 AXIS DRILLING MACHINE

20 NOS. CRAINES (5 MT TO 60 MT)

CNC SAWING MACHINE

STRAIGHTENING MACHINE

ROLL FORMING MACHINE

PROFILE SHEET MACHINE

Project Name – Income Tax Office
Location – Lucknow
No. of Floor - 08
Area – 1,20,792 Sq Ft.
Tonnage – 1400 MT

Project Name – Staff & Faculty Block
Location – Bhubaneswar
No. of Floor - 06
Area – 57,996 Sq Ft.
Tonnage – 372 MT

HIGH RISE STEEL BUILDINGS

Project Name - Girls Hostel
Location - Bhubaneswar
No. of Floor - 07
Area - 79,420 Sq Ft
Tonnage - 550 MT

Project Name – Admin Block
Location – Bhubaneswar
No. of Floor – 03
Area – 71,113 Sq Ft.
Tonnage – 300 MT

Project : South East Central Railway
Girder Type : Open Web Girder
Span : 30.5 M X 4

Project : PWD Orissa
Girder Type : ROB Composite
 Girders
Span : 25.49 M X 12

STEEL GIRDERS

Project : PWD Maharashtra
Girder Type : ROB Composite Girders
Span : 30 M X 8

Project : North Central Railway
Girder Type : Open Web Girder
Span : 61 M

Project Name : Jivan Industries
Location : Raipur, Chhattisgarh
Area/ Weight : 30,000 Sq Ft

Project Name: Arihant Logistics
Location : Raipur ,Chhattisgarh
Area/ Weight : 45,000 Sq Ft

PRE-ENGINEERED BUILDING

Project Name: Neotech Foundry
Location : Bhilai, Chhattisgarh
Area/ Weight : 45,000 Sq Ft

Project Name: Hindustan Coils
Location : Raipur, Chhattisgarh
Area/ Weight : 90,000 Sq Ft
